# Dr. Kneipp's Vinbar

— Født 1991

*Dr. Kneipp's Vinbar er løst basert på det italienske enoteca-konseptet. Du har muligheten til å stikke innom for et glass, kanskje en skål med oliven eller en antipasto ved siden av? Til tross for at vi ikke har spiseplikt, er det fullt mulig å få seg en rimelig treretters middag, hvis det skulle være ønskelig! Hovedvekten ligger naturligvis på vin, og vi kan tilby et utvalg på rundt fire hundre sorter, hvorav over hundre på glass. Dag ikke alle på en gang! Om omfanget av vinkartet skulle gjøre deg sliten, eller om du ikke er ute etter en helt spesiell vin i dag, kan alltid ukens hvite / røde anbefales! Her er også prisen særdeles gunstig...*

*Vinkartetets tyngdepunkt ligger trygt plantet i Italia, men det anerkjenner også andre lands vinmakerevner...*

*Så skulle du foretrekke en god burgunder, en bordeaux eller en*

*riesling, så finner du også dette godt representert, sammen med mange andre lands røde og hvite.*

*Vårt mål er å tilby det beste av det meste, til en overkommelig pris. Det lave påslaget er en del av vårt kringkastingsprosjekt, der vin skal nå ut til alle, og ingen får lov til å betale for mye! Vi håper med dette å kvitte oss med mye klasserelatert mobbing! Skulle du likevel ha behov for å flotte deg, eller gjøre stas på andre – sjekk ut siden med magnumflasker!*

*Vi beklager mangelen på teposer, cocktails, kabel-TV og pilsner! Vi har, til vårt forsvar, espressomaskin, grappa, stereo og bayer!  
Håper alt faller i smak!*
